Sir:

PETITION UNDER 37 C.F.R. §1.137

The undersigned requests revival of the above identified unintentionally abandoned application.

The USPTO mailed a Notice of Allowance on October 24, 2007 and thus the issue fee was due on or before January 24, 2008. On February 26, 2008, a Notice of Abandonment was issued and mailed.

The undersigned does not have record of receiving the Notice of Allowance and therefore the date was not docketed.

The entire delay in filing a response to the abandonment of this application has been unintentional.

Enclosed herewith please find (i) an Issue Fee transmittal, and (ii) Formal Drawings.

I hereby certify that this correspondence (along with any paper referred to as being attached or enclosed) is being filed electronically via EFS-web with the Commissioner for Patents on the date indicated below.
